Re: Reception Arid Lands Excursion – Friday 24 May

Dear Families

As part of our Science curriculum the reception students will visit the Arid Lands Botanic Gardens to investigate the external features of plants and animals. Students will catch the bus from school to the Arid Lands, where they will participate in a tour of the gardens and have an opportunity to play in the Arid Explorers Childrens Garden.

Details:

- Students will eat recess before leaving school and will return from the excursion approximately 12:30pm, students will be able to have a lunch order from the canteen if required.
- Students need to wear their Caritas College uniform and will be wearing their school hats.
- Students need to have a water bottle to take with them.

If you require further information or have any queries, please contact your child's class teacher.

Please complete the permission slip below and return to school by **Wednesday 22 May**.

Yours sincerely
