All applications are confidential and will be assessed on an individual basis.

IF WE ARE A SPLIT FAMILY, CAN WE RECEIVE SEPARATE STATEMENTS?

Family accounts will be billed as per the Enrolment Form. By signing the enrolment contract parents/guardians accept joint and several liability for payment of all school fees, regardless of any subsequent changes in the family situation.

The splitting of accounts for separated families is not an option. In these, cases, the school expects the enrolling parents/guardians to work out payment arrangements between themselves, to ensure that all fees are still paid on time.

If required, separate copies of the Statement of Account can be provided to both enrolling parents/guardians.

VOCATIONAL EDUCATION AND TRAINING (VET) FEES

VET fees range from \$300 to over \$3,000 depending on the type of Certificate chosen. As VET is an elective pathway, the College will cover up to \$500 (course fees and white card only) per student. The remaining VET fees will be charged to families. Please remember that College fees are still payable if a VET pathway is chosen, VET fees are an extra cost.
