Re: National Tree Day –Years 4-7 SRC Arid Lands Excursion – Friday 26 July

Dear Families

Your child has been invited to participate in this year's National Tree Day. The Australian Arid Lands Botanic Gardens are holding National Tree planting sessions at the Gardens in conjunction with Northpoint Toyota who are sponsoring National Tree Day.

As part of this celebration students will be visiting Arid Lands to learn about the importance of rejuvenation and taking action to plant trees on site. This will take place on **Friday 26 July** with the students leaving school at 9:15am and returning to school once the session has been completed. Students will be transported by car with a member of staff to and from Arid Lands. Students are required to bring their water bottle and a hat and wear their PE uniform.

If you require further information or have any queries, please contact Mr Nathan O'Brien on 8648 9700.

Please complete the permission slip below and return to school by **Thursday 25 July**.

Yours sincerely
