**Re: School Community Involvement**

To our Caritas College Friends and Family

Your participation and involvement in our school community is very important to us at Caritas College, and we would like to extend an invitation for you to become more involved in various school activities with our students and teachers.

Examples of such activities may include;

- \*Excursions; sporting activities, classroom / curriculum-based activities
- \*Onsite reading support; primary school, middle school
- Sharing knowledge / personal experiences to groups of students as a guest speaker
- \*Providing mentorship to students who express interest related to your skill set / carer
- Assisting with classroom activities relevant to your skill set

*\*This level of involvement will require further follow up with our WHS Officer Debbie Dohnt, who will support you to complete necessary paperwork.*

To best build this data base, we would like to learn more about your professional backgrounds, skills, and interests so that we can create a Caritas College Friends and Family Inventory. If interested, we ask that you complete the following survey [Caritas College Friends and Family Inventory Form](#). If you are aware of someone else who may be interested in engaging in this process, please direct them to contact Miss Alanah Rowe on 8648 9700.

Yours sincerely
