Please find attached the Immunisation Consent Pack. It is important that you read the information contained in the pack before you give consent for your young person to be vaccinated at school. If you have any questions about this program, please contact Port Augusta Council.

All parents/ legal guardians are to complete, sign and return the consent cards, even if you do not consent for the student to be vaccinated at school by **Wednesday 19 February**. Students aged 16 years and above can consent for themselves.

**Remember to keep your young person's school immunisation program records in safe place as they may be required for future employment or travel.**
