**Re: Year 12 Workplace Practices Excursion - Wadlata Outback Centre and Heritage Walk - Mon 31 Mar**

Dear Families

As part of the Year 12 Workplace Practices course this term, students will be exploring the changing nature of work. This excursion to Wadlata and then a look at the Heritage Walk will provide students with an opportunity to learn more about the history of Port Augusta while reflecting and analysing the vast knowledge, skills and competencies required to work in many different industries in the past. As we take part in the Heritage Walk students will be asked to identify the significance of Port Augusta to the development of the outback regions and make predictions about the future of work, focusing on their industry of choice.

Students will **meet at Wadlata on Flinders Terrace at 1:00pm** and be dismissed from there at 3:00pm. Students may drive themselves from school or travel with Mrs Therese Noll. Students driving themselves must abide by their driving and passenger conditions of approval.

If you have any further queries, please contact Mrs Therese Noll at school on 8648 9700.

Please complete the permission slip below and return to school by **Thursday 20 March**.

Yours sincerely

Therese Noll
